R. Key
Harbour Master
Maryport
5th May 2011

All Owners and Masters of vessels in Maryport Harbour.

Under the Byelaws and Harbour revision order, the Harbour Authority requires that all owners of craft using the port register within 28 days the Ownership and contact details of the Skipper. Forms are available from the Marina Reception and online at the Harbour Authority website. Please return to the above address for my attention. Note you will be required to have your vessel insured for 3rd party the normal in the Marina is £3 million pounds cover and the Authority requires the same from all craft.

Failure to register will mean the removal of the vessel at the owners cost.
