

MARYPORT HARBOUR AUTHORITY

SPECIAL DIRECTION NO 3 OF 2009

NAVIGATION WITHIN MARYPORT HARBOUR VESSELS OVER 20-METRES IN LENGTH

The master of any vessel over 20 metres in length must obtain permission to navigate in the harbour from the harbour master.

The following vessels are exempt

- Registered fishing boats less than 47.5 metres in length.
- Naval and MOD vessels.

The need for the provision of pilotage services at Maryport Harbour remains under review through the use of formal risk assessment.

The risk assessment has identified that at this time there is not a requirement to provide pilotage services at Maryport Harbour.

As such, no pilotage directions are provided at this time.
